

International Study Assistance Scholarship (ISAS) for Purchase College Faculty-Led Programs Only

This scholarship is awarded and the amount is determined based on a combination of financial need, sound financial planning by the student as demonstrated in their budget worksheets, academic performance, and an evaluation of the student's essays and recommendations. The weight given to financial need is proportionately somewhat greater than the weight given to a student's quantitative academic record and merit based on essays and recommendations, but all elements are important. Awards range from \$200 to \$2,000, therefore students should not anticipate awards to cover the total cost of the program fee. To apply, please submit the following:

- ☐ **The application form** on the back of this page
- ☐ **The scholarship essay**—In about 500 words, please answer the following prompts:
 - *Tell us the story of your academic and financial situation that has led you to this point.*
 - *What do we need to know about you and why you are studying abroad that we cannot determine from your official record alone?*
- ☐ **Faculty Recommendation Form** (attached) – Please have your recommender return the recommendation form to you in a sealed envelope with a signature across the closure.
- ☐ **Budget Worksheet** (attached) – make sure it is complete and signed
- ☐ **Unofficial transcript** - You can download and print this from MyHeliotrope or your DPR
- ☐ **Original application essay** for the proposed Purchase faculty-led program
- ☐ **Your FAFSA record** (if you have one)

Scholarship awards are not guaranteed and will be based on the following criteria:

- Your FAFSA record, if you have one
- Your completed and signed budget worksheet
- Faculty recommendation
- Your ISAS essay
- Your academic record (unofficial transcript)
- Your original application essay for the faculty-led program

All scholarship awardees are required to complete (2) volunteer opportunities with the Office of International Programs and Services (OIPS) before they graduate. Volunteer Opportunities include:

- Writing a letter of thanks to the donors who fund the International Study Assistance Scholarship
- Attending a faculty-led information session, the Fall Study Abroad Fair, or the Spring Study Abroad Fair to share your overseas experience
- Providing OIPS with at least (3) pictures of your trip abroad, stating the term abroad, location, and a memory/description (2-3 sentences) associated with the picture. Please note that these pictures and captions/quotes will be used on our social media platforms.
